

Frequently Asked Questions

How can we apply for a Make Some Noise grant?

We support specially selected projects in the UK, nominated by the teams in our Broadcast Centres, and that are close to the hearts of our listeners. Please keep an eye on our website for future funding opportunities and for details on how you can express your interest to be part of Make Some Noise.

Can you help with my Make Some Noise fundraising?

Yes! You can find lots of ways to get involved and help us make some noise on our website - including fun fundraising ideas, a few important tips and fantastic promotional materials to promote your event. Check out our 'Get Involved' tab for more.

Can you help me source prizes for my fundraising event?

Unfortunately, Global's Make Some Noise cannot help to source and secure prizes for individual fundraisers and fundraising events.

Will you help to publicise my event?

Sadly, Global's Make Some Noise cannot help in publicising every fundraising event taking place. For advice on how to generate interest in your fundraising activity and how to get people involved, just visit our 'Get Involved' tab.

How can I get involved in an event in my area?

Make sure you don't miss out on all the brilliant events going on where you live! You can keep up to date with all the latest by visiting your local station's website.

Can Make Some Noise send a presenter to my event?

We're afraid that Global's Make Some Noise is unable to facilitate presenter visits to fundraising events. For tips on planning a successful event, head to our 'Get Involved' tab.

Can I get a shout out on the radio?

Sorry! Global's Make Some Noise cannot ask for radio mentions or shout-outs for fundraisers – there just wouldn't be enough time to fit everybody's name in!

My child is sick, can Make Some Noise donate money to help him/her?

Sadly, Global's Make Some Noise cannot support individual children, young people or families. We concentrate on supporting registered charities, each of which provides fantastic support for disadvantaged children and young people across the UK.

You can see the full list of the brilliant projects we support by visiting our 'Who we help' tab.

Why do you only support children's and young peoples' charities?

Global's Make Some Noise is dedicated to helping disadvantaged children and young people affected by illness, disability or lack of opportunity.

We're making some noise for those who don't get heard and changing young lives across the country.

What has happened to Help a London Child, Help a Capital Child and Have a Heart?

Thanks to your amazing support, our former charities have come together as Global's Make Some Noise.

We have been raising money for 40 years - raising £35 million and helping 3 million children and their families. We're delighted to be uniting our stations and listeners behind Make Some Noise, to raise even more for those who need it most.

If your question hasn't been answered, just give us a call on 0345 606 0990 or send an email to contact@makesomenoise.com
