Hello

A big thank you for supporting **Global's Make Some Noise** by dressing loud on **Friday 7th October**. We're thrilled you're taking part, and can't wait to see what colourful clothing you'll be wearing for the day!

It's thanks to people like you that we're able to support some brilliant small projects across the UK. These projects can struggle to get heard, so we're uniting some of the country's best-loved radio stations - Heart, Capital, Capital XTRA, Classic FM, Smooth, LBC, Radio X and Gold and our friends from the world of music and entertainment, to make some noise and raise as much money as possible.

The projects provide life-changing support to thousands of youngsters and their families living with illness, disability or lack of opportunity - and by being involved, you're helping to make a real difference to those who need it most.

This pack is full of bright ideas to help with your fundraising - whether it's at school, in the office, or with friends and family at home. Don't forget to check out our website for even more top tips and activities too!

Thanks again for your support - we really couldn't do it without you.

GET INVOLVED

Save the date! This year, we'll be uniting all of Global's radio stations, their listeners, and our friends in the world of music and entertainment, to make some noise and dress loud on Friday 7th October.

Rummage in your wardrobe for your brightest and craziest clothes. Wear them to school or work for the day, and give a small donation to Global's Make Some Noise. We'd suggest around £2 per person, or whatever you can afford.

Spread the word, and get your friends, colleagues and family involved too. You'll find tons of resources and fundraising ideas on our website – head to makesomenoise.com.

BRIGHT IDEAS

As well as digging out your jazziest jumper or most dazzling dress on 7th October, there are lots of other ways you can raise even more money for Global's Make Some Noise!

BAKE SOME NOISE

Everyone loves cake, don't they? A bake sale is a fun and easy way to raise money at school, the office or even at home.

NOISY NIGHT IN

Host a dinner party for your friends and family while tuning in to your favourite Global radio station. Ask them to make a donation in return for some delicious dinner and brilliant company!

HOST YOUR OWN MAKE SOME NOISE MUSIC QUIZ

A quiz is the perfect way to test your music knowledge – will you be crowned champion? Check out our downloads section, where we've already prepared some questions (and answers) for you.

TALENT CONTEST

Always dreamed of being a popstar? Or maybe you're a hilarious comedian? Head to the stage in your own talent contest, pay a small donation to take part, and reveal your hidden talent!

TURN UP THE VOLUME

If you're already planning a concert, party, dance or zumba class, why not make it extra noisy and arrange a collection for Make Some Noise?

Plus, don't forget to tune in to your local radio station to find out how they're getting involved!

PSST!

Don't forget to visit our website for even more ideas and resources to make your fundraising as noisy as possible!

TOP TIPS

We're thrilled you've decided to fundraise for Global's Make Some Noise. Here are a few top tips to keep in mind when planning your activity.

COLLECTIONS

Organising a collection is a great way to fundraise, but there are a few rules which you'll need to follow.

- Street collections require a permit from the local council or the Metropolitan Police (if you're in Greater London), so you'll need to contact them about this.
- Collections in pubs, shopping centres, supermarkets etc. simply require the permission of the owner or manager.
- House-to-house collections are governed by strict rules which vary from area to area, but your local council will be able to help and advise you on this.

LOTTERIES, RAFFLES & TOMBOLAS

Lotteries, raffles and tombolas are also brilliant way to fundraise. They're governed by gaming law, so use this simple checklist to make sure you're doing things properly.

If you're running the lottery/ raffle/ tombola as part of a larger event, such as a school fete or at a sports club fun day:

- ☐ Tickets are sold on the premises of the event and during the event only.
- ☐ The result is declared at the event.
- ☐ No more than £500 of the proceeds will be used to purchase prizes. Often local business are happy to donate prizes, so it's a good idea to get in contact with them to see if they're able to help.
- ☐ No more than £100 of the proceeds will be used to cover operational costs, for example, printing tickets.
- ☐ All other funds raised have to be passed on to the charity.
- ☐ There are no rollovers.

DID YOU KNOW?
£25 could pay for a deaf young adult to attend an outdoor activity session to help build independence and improve their self-esteem.

If you're running a raffle/ sweepstake at your workplace or halls of residence

- ☐ All tickets must have the same price – you can't offer a discount for multiple tickets.
- ☐ Tickets can only be sold to people who work at the same place as you, are members of the same club/ society as you, or live at the same residence as you.
- ☐ All funds, other than a reasonable amount for expenses and prizes, have to be passed on to the charity.
- ☐ There are no rollovers.

If your lottery, raffle or tombola ticks all these boxes then go ahead and get fundraising! If not, don't panic – just contact us for advice.

YOU'RE MAKING A DIFFERENCE

Thanks to your support, this year Global's Make Some Noise has already awarded over £1.4 million in grants to brilliant small charities across the UK.

From Glasgow to Cornwall, these projects are doing amazing work to support youngsters and their families up and down the country.

Young people just like Alecia, who has a complex and rare condition called Ataxia Telangiectasia (A-T). In fact, A-T is so rare that it affects around four in every million children. Sadly, there is currently no cure.

A-T affects those who have it in many different ways, but it often impacts on their coordination and movement, weakens their immune system and ability to fight off infections, and can significantly increase their risk of cancers. It's so complex that no two people will have exactly the same symptoms or experience.

But, thanks to the A-T Society – a small project supported by Global's Make Some Noise – Alecia is not alone.

Their activity weekends give her an opportunity to meet up with other teens living with the same condition, and it's a time when she can really relax. She said: *"You don't feel lonely when you are with other people who have A-T, I'm just a normal girl."*
