# FEEL GOOD, DO GOOD

**Your Christmas party sorted!**

This December, Heart radio and their charity, Global's Make Some Noise, are teaming up to host your company's very own private Christmas party!

Broadcast live from the studio in Leicester Square, this is a chance to provide your staff with a fully interactive experience from one of the UK's most-loved radio stations.

A Heart presenter will host your party via a private, live video broadcast straight into the living room of your employees, with 60 minutes of non-stop Heart Xmas tunes. From classics that get you misty-eyed, to more recent and upbeat Christmas songs, yule be immersed in the best music for this very special season with Heart Xmas.

# A PERFECT PACKAGE

## Christmas wrapped up

Christmas Party packages cost £5,000 +VAT and include the following. For an additional cost, we can help facilitate gifting to surprise your guests with party snacks, posted direct to their door.

### A power hour of feel good

Enjoy a custom-made playlist, hosted by the face of your chosen Heart station, exclusively for your company (up to 95 people).

### Special shout-outs

Celebrate your team's achievements, top performers, special moments or funny memories from a strange year.

### Epic interactions

Operating on an interactive platform with live web-chats between your guests and the presenter, your party can also include fun competitions, games, and 'surprise & delight' moments e.g. a phone call from a Presenter!

# YOUR GIFT TO US

## A party with purpose

Proceeds from your Christmas Party Package will be donated to Global's Make Some Noise, helping those who have been hit hardest by coronavirus this season.

Global's Make Some Noise supports small charities up and down the country who are helping those experiencing grief, poverty, domestic abuse, loneliness, illness and mental health problems, as well as carers and care workers.

By buying a Christmas Party Package, not only will you be able to virtually come together in a time where face-to-face events are not possible, but you'll also be helping some of the most vulnerable people in our communities.
